

Microsoft® Windows® 7: Level 1

Course Specifications

Course number: 084092

Course length: 1.0 day(s)

Course Description

Course Objective: You will log on to Windows 7, explore its interface, identify the different components in the interface, customize the Windows 7 desktop, manage files and folders, use the common tools and programs available in Windows 7, and browse the Internet.

Target Student: This course is designed for any worker, business professional, or private individual who needs knowledge in operating systems and file management skills.

Prerequisites: To ensure your success in this course, we recommend that you take up the Introduction to Personal Computers course available at ElementK or possess equivalent experience.

Course Objectives

Upon successful completion of this course, students will be able to:

- log on to Windows 7, explore its interface, and identify the different components present in the interface.
- customize the Windows 7 desktop.
- manage files and folders.
- use the common tools and programs available in Windows 7.
- browse the Internet.
